Dear Mr Weisberg -

I am sitting here at 7:00 A.M. "Sick to my stomach" NBC - slightly "conked Garrison - last night - as you, no doubt, know. Where do we go from here? I never felt so depressed and defeated in my life - If I feel this way, I can imagine how you feel - (Total frustration)

1. Why did they, NBC, rush this on before CBS (4) night broke coming up Sunday - ?

2. Why the while Russian - Kosygin here?

3. Why not a Sendlin program on "legalizing" Warren Report? It did all (?) the same) harm! - How about that burning the papers yet?

4. Why during this week - why are NBC witnesses more credible than Garrison's?

I am so sad & feel so alone today - I just had to write to you

I read "Forgive My Grief" yesterday - Finished it just before the NBC Program - I think "Kenny Mullins" Quote in his book (Penn Jones Book) applied most perfectly to what last nights program will do to this country. It breaks my heart to think so - But I can't help it.

Page 219 - your ~~the~~ Red covered edition of WW II "Between the post and the tree to the "MAN" (my Quotes & underline) is this - what I think - LBJ.? or is my imagination running away with me? Actually, I have never considered him - at least - only as a "Patsy" Please, please tell me - I can't stand not being sure what you mean - I implore you -

Sincerely & Sickat heart.
Jon Parfued

Dear T & L Taylor - Did you attend Irving H. Gordon's memorial service in Carbon Hill this afternoon - I made him Honorary Pallbearer & was unable to attend - Journalists.

5. One more Question —
If Grayson's Issues legation was so ridiculous + why does a leading network — The leading network — Spend a fortune to refute him?
"The Lady Protests too much".

L.N.

With this much influence why don't they use it for the good of humanity — When this is suggested — They say "too controversial" Let The Education & UHF (NET) (Small coverage - no financial Client accts to contend with) — handle That. I notice there was no short ~~age~~ of sponsors - local & National last night - So the Establishment stuck together + moved as a body — I feel like a member of a small underground - & I don't like it

This does create a dilemma for the Right Wing "Quarantine" they still hate the "Eastern Liberal-News Media" TV + Papers? How they are allies.

P.S.

The "Equal time" theory - should apply here - if it doesn't the cause looks so very lost - CBS - last & only hope.

I wanted one big Crime Time, media exposure - Well I got it all right - I might have known - They say the Mafia owns much American business - what a perfect combine - Military - Industrial & Underworld - Maybe the Historians will do the job - after we're all dead after all - I wonder where the "Time Capsule" will be buried next to J.F.K.'s "Torch" grave would be appropriate - Only this grave - should take a "dagger" instead of a "torch" - Right in the middle of the back -

If there is a God & he is alive - How do the time for him to make Kennedy known - But you know Maddox, Murray?

(Why doesn't NBC expose "Operation Ky" - Lloyd Bentsen (Tex - Lyndon's - Pal)

All NBC's program convinced me of two things — This conspiracy is even worse than I had imagined —

After all Garrison is no match for NBC — They, NBC & The "powers that be" — must really be desparate — Talk about sending a "Sherman Armed Tank to kill a fly" or however the saying goes — I'm sure you get my point.

H.H.

Why doesn't NBC take on someone its own size like the "Warren Commission" for one good example — They, NBC, are just plain old fashioned Bullies!.
